**THE PASSIONATE SHEPHERD TO HIS LOVE**

- o Come live with me and be my love,
- o And we will all the pleasures prove,
- o That Valleys, groves, hills, and fields,
- o Woods, or steepy mountain yields.
  
- o And we will sit upon the Rocks,
- o Seeing the Shepherds feed their flocks,
- o By shallow Rivers to whose falls
- o Melodious birds sing Madrigals.
